

SPREAD-A-BALE MIDI

WAS \$29500

NOW \$22000

New - never been used!

(discounted due to being stored outdoors)

Makes mechanical straw spreading quick and efficient by teasing the entire straw out of the bale and spreading it evenly!

It creates a long-lasting bed that keeps animals clean, and optimises straw usage.

Spread-a-Bales can self-load both round and square bales, and spread the straw up to eight metres.

Round Bale Max. Diameter: 1.5m

Square Bale Max. Dimensions: 2.5L x 1.2W x 1.0H
